201 East Tomlinson Parkway
Longview, TX 75605

November 20, 2020

Dear Directors,

We are honored to have been selected as host for the 2020 UIL Area C 3A Marching Contest. We want your experience to be as positive as possible for you and your students. Included in this packet is information regarding the contest and maps to help you. We will have monitors to guide you to the various sites. If you have any questions, please do not hesitate to contact us.

1. All buses need to enter the camps from Airline Dr. on the East Side of campus. Bus parking will be the first and second lot to the left. Your instrument trucks may park there also. If you have percussion that must be unloaded at the field, check the campus map for the area to unload. Instrument trucks cannot arrive at the unloading area until 30 minutes before your performance and must be moved before 30 minutes after your performance.
2. There will be two warm-up areas. See the map. You will be assigned warm-up area A or B. A monitor will meet you at the bus and guide you. Please face your bands away from the stadium while warming up.
3. Restrooms are available in the Coliseum, Green Gym (to the right of the breezeway in front of the school), and under the east side of the stadium. Please use the coliseum for changing.
4. After your band performs, a student worker will escort you through the proper gate to exit the stadium. After you have put instruments away, your student worker will escort you to the visitor side of the stadium. If you would rather exit the field and go straight into the visitor stands, let your student worker know.
5. The contest office will be in the press box. You may reach this area by going in the door on the south side and going up the stairs. There will be a hospitality area for directors.
6. There will be a limited concession stand with snacks and drinks available.
7. There will be a \$5 entry fee for all spectators. Cash only.

COVID-19 MITIGATION - UIL AREA C MARCHING CONTEST 2020
