GENERAL INFORMATION

1. The contest will be conducted according to the rules of the *UIL Constitution & Contest Rules*. Please read and understand the rules prior to attending the contest. Directors should review Section 1106: Area Marching Band Contest, as posted on the UIL State web site.
2. After making a first division (certification) at Region, directors must immediately text or otherwise notify Mike Bullock whether or not they plan to attend Area, and submit official entries within 24 hours or by the following school day in case 24 hour falls on Sunday or a holiday.
3. The contest schedule should be posted the third day after the final Region Contest (if timely notification by directors of all certified bands is made.) The order of bands is determined by a combination of randomization and distance.
4. Admission is listed at the top of this document highlighted in yellow. Bus drivers & school administrators will be admitted free with presentation of school ID. UIL Athletic passes are not accepted. Children 6 and under are free. Band chaperones must have chaperone passes. Passes (hand stamps) will be available when you arrive at contest. Please limit these complimentary passes to your bus chaperones. Each band student and departing spectator must have his/her hand stamped for reentry into the stadium. This is also necessary for the 2A/4A contest held at two sites; only one admission is necessary for both sites.
 ► NEW THIS YEAR, we will use the credit card ticketing service GoFan for all admission (no cash) into each Area C 2A 3A 4A contest. More info to follow.
5. Contest Timing is where bands will be most vulnerable for a mandated disqualification. Please review the C&CR rules regarding timing. Details of the timing procedures are included in Local Ground Rules (*posted on Region 21 Area C web site*). We will operate on a 15-minute performance schedule and 45-minute warm-up schedule.
6. Video will be provided by MEDIA SERVICES of Lufkin. All bands will receive a video.
7. Prelim comments, recordings, and results will be available to directors via Competition Suite and as UIL rules governing contest software dictates. Video might be on a jump drive, so bring proper equipment if you would like to view your performance.
8. Prelim Verification: There will be a break at the end of Prelims. At this time, one director from each band will meet to review the ranking of the bands. All protests must be made prior to the announcement of the results. As in the past, we will use a top-half/bottom-half draw for area finals. For example (with a 10-band scenario), bands that are ranked 6-10 in prelims will be the first five performance slots (randomly) in finals. Bands that rank 1-5 in prelims be the last five performance slots (randomly) in finals.
9. After Prelims, the Drum Majors of all bands will assemble on the press box side of the field during tabulation time. Drum Majors should be in full uniform. All bands will be introduced and presented a participation plaque, then bands that will be advancing to the Finals will be announced.
10. At the end of Finals, we will have a RETREAT of finalist bands. During retreat, one director from each band will meet to review the ranking of the bands. That director will not be able to be with their band during retreat. More info will posted as soon as it is available. All protests must be made prior to the announcement of results. Finals ranking and those bands advancing to State will then be announced.
